# BUILT FOR LOGISTICS

## PLOT F

IMMEDIATELY ADJACENT TO  
UNIT 1. AN IDEAL OPTION  
FOR EXTRA CAR AND  
LORRY PARKING.

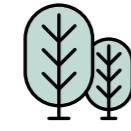

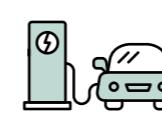

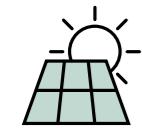

# PUSHING BOUNDARIES ON SPECIFICATION AND SUSTAINABILITY

ESG is at the heart of every stage of the development. Exceeding our green credentials target, and improving the work environment, is the energy behind every one of our commitments to sustainability.

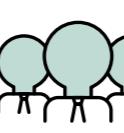

Community integration and well being is our priority, by utilising green space to create cycle, walking and running paths, sound dampening landscaping and new tree planting for increased air quality.
